Presidents Message

Great news: the club has just received word from the federal New Horizons funding program, the club has been successful with our grant application. The club asked for \$ 24,660.00 and we were granted the full amount.

The funds will cover the following renovations and upgrades:

- 1) **2 new doors** on the south side of the club \$ 1,960.00
- 2) **Replacement of the flat roof** over the mechanical room and front entrance \$ 10,540.00
- 3) **Upgrade the hydro service** and wiring to the kitchen \$ 10,200.00
- 4) Purchase a new **Ice Nipper** \$ 2,000

Congratulations and thanks to all the people who worked on the application.

On Monday March 3rd Barb Hetherington and I were invited to watch the closing day of the six week training session of 39 public school children. What a great group of children, so excited yet well behaved. Several students received recognition of excellence awards. They also enjoyed pizza and pop and a goodie bag to take home. Special thanks to Ron Piesanen and the training group of volunteers, very much appreciated. Also thanks to the parents, and grandparents who were there supporting their kids as well. And finally, thanks to Ms. Oliver and Ms. Jane Austin principal from the public school for their support and guidance. As we approach the last few weeks of curling and playoffs. I hope everyone is enjoying and has had an enjoyable season.

Garry
