As we approach the Christmas season, Santa came early with two special gifts. The Club received \$5000.00 from the Canadian Curling Association and \$ 4500.00 from the Fair Board for selling tickets. A special thanks to Ron Piesanen and the 83 volunteers.

To explain the Canadian Curling Association funding program: The CCA have a plan in place where a curling member can contribute funds in return for an income tax receipt. The funds are then returned (100 %) to the curling club to pay for designated expenses.

For the benefit of our new curlers, some five years ago our club was in financial difficulty, so the members were asked if they might lend the club \$1000.00 each plus interest for five years. Several members accepted this challenge. The funds were returned in 2013, however 5 members each gave their \$1000.00 to the CCA in return for a tax receipt, and that is the reason for the \$5000.00 CCA donation back to the club. Once again thanks to those special donors.

Thursday night league is a resounding success. They have 14 teams, 66 members. Halloween night saw one team dress up as the farmer's daughter (male) and three blind mice (females) what a Hoot. Please come and watch the level of completion and fun these 66 people are enjoying.
